2010-2011 SCHOOL YEAR INFORMATION

[Registration for the 2010-11 school year](#) will be held during August at local schools. Specific registration information is available from the child's school. Call the Zoning Office, 799-6430 for information or access the website at: <http://ccsd.net/parents/enrollment.phtml>

[CCSD Transportation Department](#) has an automated bus registration system. If your address information is up to date and there has not been a school attendance or zone change that affects your student, then there is no need to fill out transportation forms or call the transportation department; your student will automatically be registered for transportation for the following school year. When students register for school, they may register for bus transportation with one simple check mark. However, if the above information does not apply to you or if you are new to the district, access the transportation department at [Registration](#) for bussing information.

Dear District F Constituents, Parents, Staff, Students and Friends:

Many of you know by now that the Board has voted for all schools to be nine month for next school year. We have also voted to change the calendar for the 2012/13 school year to begin earlier in August so that the winter break coincides with the end of semester. The school year will then end earlier as well. This schedule change has two benefits: first, students will be taking exams while the instruction is still fresh, and students will gain a significant increase in instructional time prior to taking the CRT's (criterion referenced tests for NCLB).

The search firm that is helping with the search for a new superintendent is accepting applications. Applications may be submitted through the search firm's website at: www.macnjake.com We will have a report on their progress on August 13th at 10:30am in the board room. All applications must be in by September 1st. Superintendent Rulfes has offered to extend his contract through the end of December and we will be discussing that in our special Board meeting on August 4th.

District F will see two new schools opening in August. The West CTA will be opening with 9th and 10th grades. Stuckey Elementary School will be opening in Southern Highlands. Both schools are on schedule to open.

This month, our year round schools will finish up their year and then later in the month our new school year begins. I hope you all are having a safe summer and will return for another exciting year of learning.

My first F-Troop meeting will be on September 8th at 9:30 am at Reedom Elementary School. I look forward to seeing many of you there.

Carolyn
